

# White House Hotel and Restaurant

Severn Trent Water are carrying out works along Wellington Road, as a result the road is closed between the junction with the A4640 'Donnington Wood Way' and a point 2 doors from the White House Hotel.

They have provided a diversion but it is a little confusing so this email gives the best route to the White

The red road is the scope of the Severn Trent works. The blue route is the official sign posted diversion. But a quicker more direct route is to follow the green route:-

Coming from the M54 you will pass a roundabout with an Asda, at the next roundabout take the 2nd exit following signs for Newport, take the 2nd left onto Fieldhouse Drive, this road runs adjacent to Wellington Road and ends in a T junction with Muxton Lane, turn left here and then left again onto Wellington Road. Ignore any road closed signs we are 1/2 mile on the right.
